Touchpoint 6: In-Flow Brand Kit Upsell (Booking Flow Customizer)

MOST LUCRATIVE IN-FUNNEL AD

Overview: Integrated directly into Step 3 of the new **BookingFlowModal**. When customers book a treatment like a Facial, Hair Spa, or Body Polish, the app displays suggested brand formulations (e.g. *L'Oréal Revitalift* vs. *Pond's Age Miracle* vs. *Biotique Botanical*). Brands pay for placement to ensure salon staff use their product kit.

SCREEN LOCATION	Booking Flow (Step 3: Product & Brand Kit Customisation)
AD FORMAT & SPECS	Interactive brand cards with benefit tags ("Bestseller", "100% Ayurvedic"), select toggle
TARGET ADVERTISERS	Skincare, haircare, and spa product manufacturers seeking brand loyalty
USER INTERACTION	Customer selects preferred brand kit; salon prepares treatment accordingly
COMMERCIAL MODEL	Pay-Per-Selection (CPA) ₹40–₹80 per customer kit selection + brand listing fee

Touchpoint 7: Post-Booking Confirmation & Appointment Tracker Screen

POST-PURCHASE CROSS-SELL

Overview: Displayed on the **BookingConfirmationPage** and live appointment status screen. Customers spend 15–45 minutes tracking their appointment or traveling to the salon. This screen monetizes downstream consumer intent via aftercare skincare retail, nearby dining/coffee vouchers, and ride-hailing discounts.

SCREEN LOCATION	Booking Confirmation Page + Live Booking Status Progress Card
AD FORMAT & SPECS	Native Aftercare Recommendation Banner, partner coupon chip, affiliate link
TARGET ADVERTISERS	D2C post-treatment skincare brands, ride-hailing (Uber/Ola), cafes near salon
USER INTERACTION	Tap orders aftercare serum or claims a ride discount to reach the salon
COMMERCIAL MODEL	Affiliate Revenue Share 15%–20% on retail orders OR ₹15/click
